

Parent Volunteer Form

AYSO - DIAMOND HEAD REGION 48

Our AYSO program is run solely by volunteers, parents like you! We at Diamond Head Region 48 believe that every family should contribute in some way. Each team has certain positions which must be filled. Volunteers are also needed for other activities. Placement of your child(ren) may depend on your participation. Training for coaches, referees, and linespersons is available free. Other activities require no training.

Completion of this form is mandatory, even if you are not planning to volunteer.
